As regards sparing Mr. G.S.Venkataramana Iyer from the Legislation Branch, I consider that just at present in view of the coming sessions of the -- Representative Assembly it would not be possible to arrange for work of the Branch if he is deputed as whole time officer in connection with the Hindu Law Reforms. There is much work ~~xxxxxxxxxxxx~~ in connection with legislation which perhaps a new officer suddenly posted may not be able to carry through. After the Representative Assembly is over i.e. by the 15th of October he may be deputed as whole time officer for Hindu Law Reform work for a period of one month so that he may be available for work in the Branch for the coming sessions of the Legislative Council.

I have been directed by the Chairman of the Hindu Law Reform Committee (Rajadharmaprasaktha Mr. Justice S. Venkata Rangayyangar) to invite reference to the letter of the Chief Secy. No. 968/CB dated 31st August 46 wherein it was stated that the Secretary lent to the Committee would be placed on duty with the Committee full time after the then impending session of the R.A. Concluded.

As the work of the Committee has now reached a stage when only the drafting of the report and Bill remains to be done and as this will require a full time Secretary for a limited time, I am directed by the Chairman to request that I may be posted for work with the Committee full time as early as possible Preferably from the 2nd December 46. Till this is done the work of the Committee can progress little if at all.

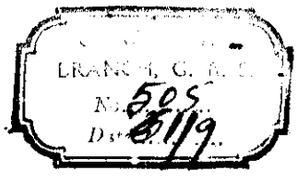
Dated Bangalore 31 July 1946.



Dear Sir,

The Hindu Law Reform Committee constituted in G.O.No. P.298-311/Cts. 81-44-4, dated 11th July 1945, has met four times, issued a questionnaire and after considering the replies received thereto have taken decisions in regard to the matters on which they consider amendment of the existing law to be called for.

The stage has now been reached when the report of the Committee has to be drafted and a Bill to amend the Hindu Women's Rights Act, 1933, has to be framed, which involves intensive work within a short period. The Committee will be greatly assisted in this work and helped to conclude its labours at an early date if the services of the Secretary of the Committee are placed wholetime for the work of the Committee for a period of two months from 15th August 1946.

I request that early orders of Government may be passed in the matter.

Yours sincerely,

Dear Sir,

The work of the Hindu Law Reform Committee has reached a stage when no further progress can be made unless the services of the Secretary are placed full time at the disposal of the Committee. The drafting of a Bill and the report are items of work which require that the Chairman should be constantly in touch with the Secretary and issue instructions from time to time about the drafts. On several previous occasions it was requested that the Secretary may be spared full time but other work with which he was entrusted prevented his being spared to the Committee.

I request that his services may be placed at the disposal of the Committee for a period of 4 weeks with immediate effect as the work of the Committee is being considerably delayed on this account.

Yours sincerely,

S. Venkata Ranga Iyengar
